

19" LCD Monitor

Description:

The CMC19LCD monitor is part of Costar's CMC series professional monitors. The CMC series offers monitors with multiple input formats including VGA, HDMI, and composite video with looping BNC outputs. The high brightness and contrast ratio add a brilliance to the screen that is unmatched by traditional CRT monitors. The CMC series monitors have a stylish look and compact size that make them a great choice for public view areas. With a standard VESA 100 mm rear mounting pattern the CMC Series will accommodate a wide variety of wall, desk or ceiling mounts.

Features:

- 19" LCD monitor
- High brightness and contrast ratios that dramatically reduce brightness degradation, eliminating typical CRT flicker and eye strain while improving picture quality
- Long-life backlight that consumes less power than CRT monitors
- Selectable video, VGA and DVI
- 100 mm standard VESA mounting pattern
- Wall and ceiling mount options
- Desk stand included

CMC19LCD Specifications
